COMMENTS FROM THE TOWN MANAGER'S OFFICE

There has been a change in the law concerning the payment of poll taxes before obtaining a driver's license. Under the old law it was necessary for the poll tax of the previous year to have been paid to obtain the license for the following year. It is now necessary to pay the "last assessed" poll tax for those persons whose birthday falls in the months of January, February, and March, a license may be obtained on payment of the 1958 poll tax. For persons whose birthday comes after April 1st 1959, it will be necessary to pay the 1959 poll tax before obtaining the 1959-60 driver's license.

The first meeting of the Budget Committee was held on Jan. 16th with all members present. Hugh Thurston was elected chairman, and Richard Davis, secretary. Although much was accomplished it will be necessary to have at least another meeting which is planned for Jan. 30th at the Community Room. After the committee has completed their duties their recommendations will be published.

About twenty persons were in attendance at the special town meeting held on Friday evening, Jan. 16th. The only article in the warrant pertained to changing the term of office of the selectmen and assessors to three years. Favorable action was taken.

Notice has been received from the office of Civil Defense and Public Safety that several items of heavy equipment may become available. They have been informed of the items in which we have indicated an interest.

Sincerely yours,

Murdo L. Bean

SUGGESTIONS TO CITIZEN CONTRIBUTORS

Keeping the Citizen at a reasonably high standard can be done only with the cooperation of many of our readers besides the regular contributors and correspondents. A few simple suggestions, if followed, can be of great help in making a newspaper of general interest.

All news of events before Wednesday afternoon should be in our hands before Thursday morning. It is not encouraging to receive reports of last week end's activities Thursday forenoon.

News of Wednesday evening happenings should be in the Citizen office before 9:30 Thursday morning.

Do not write on both sides of the paper, and do not use paper smaller than 8 1/2 inches. Be sure proper names are written plainly and correctly.

P.T.A. MET TUESDAY EVENING AT CRESCENT PARK SCHOOL

On Jan. 20 the meeting of the Parent-Teacher Association was held at the Crescent Park School with 69 in attendance. President Edith Epper called the meeting to order. The treasurer reported \$173.59 in the bank with all bills being paid to date.

On behalf of the primary teachers a letter was read thanking the mothers for going over to the school and helping serve the hot lunches thus relieving the teachers of that extra duty. More volunteers are needed for this.

Dick Waldron reported as chairman of the project committee. A motion was made and seconded to put off any money making project for the time being. It was suggested to contact a basketball team or Springfield College for a project in the fall.

The Teachers Club invited all P.T.A. members to attend their meeting on Feb. 2 at Crescent Park School to see the educational film, "Crowded Out."

Ginny Keniston said the skate swap being conducted at her house has been a success.

The attendance banner was won by the sub-primary. The door prize won by Mrs. Floribel Haines was donated by Jack Trivard.

After the meeting Stanley Davis asked for each teacher to give a short report on what they tried to teach during the year in each of their respective grades.

Refreshments were served by the fourth grade mothers.

HORSE CAUSES TRUCK CRASH

Damage estimated at \$400 to \$450 was caused to a 1958 panel truck Tuesday morning on the West Bethel road when it struck a snow bank and rolled over to avoid striking a horse.

The truck, owned by the Rumford News Company was driven by Ronald Soucy of Rumford, who suffered a broken shoulder and was taken to the Rumford hospital.

SIX IN FORMER LOCAL FAMILY LOSE LIVES IN ASHLAND FIRE

Six of the eight children of Mr. and Mrs. Luther Tripp lost their lives in a fire which destroyed the nine room family home in Ashland early Tuesday morning. The children were Edna 15, Ella 12, Jeannie 9, Alfred 4, Barbara 3, and Carolyn 2. The survivors jumped from the second story; Mrs. Tripp with an eight month old girl, Rebecca, in her arms. Mrs. Tripp was burned and cut and the baby was burned seriously. A 10 year old boy, Luther Jr., jumped to safety. Mr. Tripp and Stanley Hineckley, a half brother of Mrs. Tripp were seriously burned in vain attempts to rescue the family. The fire was discovered by a boarder, Blynn Cox, who found the stairway ablaze.

It was reported from the Gould Memorial Hospital in Presque Isle Wednesday that Mrs. Tripp's condition is still critical.

The family moved to Ashland from South Bethel several years ago. Mr. Tripp is employed by the Maine-Grafton Lumber Company as a sawyer.

A county-wide drive, headed by the police department, was started at Ashland Wednesday to aid the stricken family. In Bethel also a fund is being collected for that purpose.

MT. ABRAM FISH & GAME ASSN. MET JAN. 15

Mt. Abram Fish and Game Association met at the Town Hall, Locke Mills, on Jan. 15, with 55 present.

The meeting was called to order by President Arthur Cummings and was preceded by a pot luck supper. The secretary's report was read and approved. A thank you note was read from Emma Gupill and a letter was read from Miss Helen Varner.

The Conservation Committee suggested trying to obtain a public right of way to Indian Pond and then try to get the Pond reclaimed. The committee appointed to see about the right-of-way was Norwood Ford, John Chase and Edward Chase. To see about having the Pond reclaimed if right-of-way is obtained was Herman Bennett, Arthur Walker and Verner Smith.

Douglas Marton, regional biologist of the Fish and Game Department explained the proposed change in the deer law. The reason for this is to try to bring the deer herd in better balance in the northern counties. The state would be divided into three zones. Zone 1, north of the Appalachian Trail to the junction of the Canadian Pacific tracks at Greenville, then east along the tracks to Vanhook. Zone No. 2, open from Nov. 1 to Dec. 5 south of the Canadian Pacific railroad tracks and east of the Penobscot River. Zone No. 3, Nov. 5 to Dec. 5 south and west of the Appalachian Trail. C. P. tracks. Penobscot River boundaries. The club voted to go along with this with the exception that the season close on Nov. 30 in Zone 3.

Mr. Woods spoke on behalf of the Explorer Scouts and then showed some very interesting movies.

The club voted to go along with the bill to delay the opening of reclaimed streams, brooks and ponds until the 4th Saturday in April and reduce the bag limit to ten fish.

It was brought to the Club's attention that a bill was going into the Legislature. "No fish will be stocked or ponds reclaimed in any place where there isn't a public right of way to the water."

OPERATION OF SCHOOL DISTRICTS EXAMPLE OF INDEPENDENCE

The school district as operated years ago is probably an example of pure democracy at its best. It was an independent unit which has long been lost, and there are those who are of the opinion that the present trend of education is fast moving too far from the "good old days" which were not entirely at fault in spite of admitted disadvantages.

The following records of the business transactions of a small school district is printed through the courtesy of Dana Grover of West Bethel. The school house of District 17 was located near the present home of Mr. and Mrs. Louis Paul.

Comedy of a pious, but heavenly visitor who has come to "take home" a beloved old lady, whose cooking, he says, is in need in the Upper Regions; he won't be permitted to full Angel with wings until the commissary, in his charge, is improved. However, he finds that a demon from the other place has misled him, and everything turns out happily. Burgess Meredith was starred in this on TV last autumn.

The film, "Africa, Giant with a Future," was shown at Gould Academy last week. This was a movie of a trip taken by Mrs. Frances P. Bolton, representative from Ohio to Congress, and sister of Mr. William Bingham. Mrs. Bolton also supplied the commentary.

In accordance with the custom of Gould Academy—that of placing pictures in the hallway of those serving the school for a period of 25 years or more—pictures of Mr. Ordell Anderson, Mr. Clayton Fossett, and Mr. Wilbur Myers, have been hung this week. Mr. Fossett taught at Gould for 24 years, coming as instructor in Manual Arts and later teaching English. Mr. Anderson has taught at Gould for 30 years. He came from Minnesota as Physical Director, Industrial Arts Director, and Director of Athletics in 1929. Mr. Wilbur Myers has served for 27 years, first as instructor of commercial subjects, and then as Bureau.

Latin Club Banquet
Members of the second year Latin class and their instructor, Miss Dorothy Hugel, held the annual Latin Banquet in the Home Economics Cottage Thursday night, Jan. 22, from 6:30-8:00 p. m. The banquet was in Roman style with food

served on mats on the floor and no silverware was used. The banqueters were dressed in togas and sandals, as nearly Roman as possible. After the meal, entertainment was furnished by Louise Kennedy, who played the accordion; James Bennett, who played the trombone; and Jeff Newton, who played the bongos drums.

Gould 41—Mechanic Falls 42

Gould Academy played the league leading Mechanic Falls club on even terms during the first period but could not cope with the victor's stars, Cotton (27), and Ashby (18), who together outscored the Houkies.

Kirman with 15 and Felt with 14 led the Bethel club.

Gould will travel to Norway Friday for another Western Conference game. On Tuesday they will have a non-league game with the Greyhounds at Farmington.

MAINE AND COUNTY SAVINGS

BONDS SALES UP IN 1958
U. S. Savings Bonds sales in Maine for 1958 amounted to \$17,304,294, an increase over 1957 of \$1,042,126, and 101.2 percent of the \$17 million quota for the year, according to Chester G. Abbott, State Chairman of Maine's Savings Bonds Committee, and President of the First Portland National Bank.

Oxford County not only exceeded its quota, but sales amounted to \$221,007, an increase of 23 percent over the sales for 1957, as announced by George H. Viles, South Paris, County Chairman. State Chairman Abbott expressed his appreciation for the fine showing in Maine and all the counties and his thanks for the efforts of all the savings bonds volunteers. Savings Bonds are available to nearly all types of investors and consist of the Series E appreciation type and Series H Current Income Bonds which pay interest by check every six months, Abbott explained, yielding 3 1/2 percent when held to maturity.

FROM OUR FILES

10 YEARS AGO

Lack of snow was seriously affecting many logging jobs in Bethel and vicinity.

Capt. Sidney Hyde left for New Jersey for assignment in England.

"Mrs. Anna's House" presented by the Bethel Players at the William Hingham Gymnasium drew a good attendance.

Jan. 10. Everett Benn, Mrs. Dora Johnson, Charles.

THE RIGHT RETURN IN THE RIGHT PLACE

The records of income tax returns are mailed to the wrong revenue department each year. Whitney L. Wheeler, Director of Internal Revenue for the Augusta District, said today.

The confusion results, he said, because of the same filing deadline for Federal, State and Local returns as because of the similarity in titles of Federal and local tax officials.

The taxpayers in the Augusta District, their Federal income tax returns for 1958 should be addressed to "Director, District of Internal Revenue, 521 State Street, Augusta, Maine," he said.

Failure to mail income tax returns to the proper revenue officials can result in penalties for late filing and a delay in mailing checks to taxpayers entitled to refunds. Mr. Wheeler explained.

BROWNIES

Both divisions of Brownie Troop 4 were invited to Cynthia Crockett's house on Tuesday. Mrs. Crockett's shower which was given for the Standard Wild Animal Farm, Canada Village, Maryland, and their new home which is being built. It was very interesting and we would like to thank Mrs. Crockett again for the fine entertainment. Refreshments were enjoyed.

The Schoolmasters Club of Oxford County met at the Students' Home, Gould Academy. About 40 were present.

MAGALLOWAY

Mrs. Bessie Harvey, Corres. —

MRS. ALICE BENNETT
Mrs. Elmore Wilson Bennett, who died at Bethel on Jan. 11, was the daughter of Joseph B. and Mary Bennett Wilson and was born at Magalloway on Sept. 19, 1872.

She is survived by her husband, Arthur C. Bennett, two sons, Clarence of Portland and Glenwood of Bangley; three daughters, Mrs. Ida Heath of Deland, Fla.; Mrs. Paul Mulhern of Littlefield; and Miss Martha of Magalloway. She is also survived by 17 grandchildren, several great grandchildren and eight cousins.

The funeral was held on January 14 at 2 p. m. with the Congregationalist minister from Colbrook, Maine. Helen Lyman, officiating. Burial was in the family lot in the Westworth Location Cemetery. The floral tributes were many and beautiful and the bearers were four of the deceased's grandsons.

A surprise party was given Mrs. Elmore Wilson last Tuesday, Jan. 13, on her 86th birthday. The guests were Mr. and Mrs. Elmore Wilson, Mrs. Elizabeth Vaughn, Mrs. Jean Howard, both of Colbrook, and Mrs. Virginia Lane of Bethel. Mrs. Catherine Bragg, who had gifts of fruit and many cards. A birthday cake made by Mrs. Vaughn was served with ice cream and coffee.

Mrs. Vaughn, Mrs. Howard and Mrs. Lane also took fruit cake and ice cream to their uncle, A. Donald Cameron, at Wilson's Mills as it was his 60th birthday.

The Magalloway school was closed all last week owing to the illness of the teacher, Mrs. Dorothy Campbell of Bethel, with the flu.

Charles West was able to return to Bethel High School after a week's illness at home.

The Grange meeting on last Friday evening was very well attended.

It was 20 degrees below zero Monday morning and 25 above on Tuesday morning and about three inches of snow.

WEST PARIS HIGH

On January 16, we journeyed to Buckfield for a real rousing game. The boys' game was very close and exciting. Both teams stayed close together with the final score being 50 to 47 in favor of Buckfield. John Perham led the way for the Bobcats with 20 points.

In the girls' game it was not quite so exciting. West Paris ladies won with a score of 40 to 31. Elaine Parley was high scorer with 20 points and Mary Ann Perham was close behind with 23 points.

On January 8, the girls fell to their first defeat against McFall. This game was not too exciting as West Paris girls fell behind quite quickly. The final score was McFall 20, West Paris 15. Mary Ann Perham was high scorer for West Paris with 20 points and Sandra Brown was high scorer for McFall with 21 points.

Although West Paris was behind all the way in the tilt with Norway, they showed that they were still very much in the game. Norway was ahead at the end of every quarter and the final score was Norway 60, and West Paris 44. Gary Goodwin with 19 points was high scorer for the West Paris Bobcats.

The month of January is the Senior's month for earning money. They have planned for their projects, magazine drives on Saturdays, a Record Hop, selling tickets on a perambulator, and sandwich sales at recess.

On January 17, the Seniors sponsored a Record Hop. This turned out to be a very enjoyable evening. Drinks and popcorn were sold while the shoes tapped rhythms out loudly on the gym floor.

Our girls club, under the direction of Mr. B. Merrill Chen, met to elect our officers for the rest of this year. These officers will select the music and decide about our activities. Those who were elected are: President, Mary Ann Perham; Vice President, Thomas Emery; Secretary, Harle Thelen; Treasurer, Gary Goodwin.
